ABOUT ME

Software Engineering student with a strong interest in frontend development. Experienced in building responsive and user-friendly web applications using HTML, CSS, JavaScript, React.js, Tailwind CSS, and Material UI. Passionate about turning ideas into interactive interfaces.

EDUCATION

BS Software Engineering (In Progress)

2024 – Present

University of Agriculture, Faisalabad

- **Core Coursework:** Object-Oriented Programming (Java, C++, C#), Operating Systems (OS), Data Structures, Database Management Systems.
- **Focus:** Gaining strong conceptual knowledge in software architecture, problem-solving, and efficient system design.

TECHNICAL SKILLS

Languages: JavaScript, HTML5, CSS3, C++, C#, Java.
Frameworks: React.js, Tailwind CSS, Bootstrap, Material UI, Chart.js.
Tools: Git, GitHub, VS Code, Vercel.

WORK EXPERIENCE

Frontend Development Course – Code fusion

Aug 2025

- Completed a comprehensive frontend development course covering HTML, CSS, JavaScript, Bootstrap, and React.js.
- Built strong fundamentals in responsive design, DOM manipulation, and component-based development.

Frontend Developer Intern – Ongoing Internship

Aug 2026 – Present

- Applying HTML, CSS, JavaScript, React.js, Tailwind CSS, and Material UI to build real-world responsive interfaces.
- Working on live tasks and projects to strengthen practical frontend development skills alongside my degree.

PROJECTS

- **E-Commerce Website** *React, Bootstrap, CSS*
Built a fully responsive e-commerce platform featuring product listings, category filters, and a dynamic shopping cart.
- **Todo List App** *React, CSS, JavaScript*
Developed an efficient task manager allowing users to add, edit, mark complete, and delete daily tasks.
- **Mophy – Payment Admin Dashboard** *React, Bootstrap, Chart.js*
Created an admin dashboard theme for financial tracking with summary cards, data tables, and charts.
- **Student Management System** *React, CSS, JavaScript*
Designed a comprehensive system for managing student records with full CRUD operations and a clean dashboard layout.

CERTIFICATES

- **Web Coding 2.0 Certificate**
- **Introduction to Web Development** – Coursera
- **JavaScript and React** – Coursera
